

abortion rethink

Australian Summit on Abortion Law Reform

Saturday 17th March, 8:30am-4:30pm
Queensland Parliament House

Presenting...

'The Case for Care'

A 360 degree look at abortion law, policies and practices in Australia, seeking ways forward to inform and equip legislators and our community. Participate in the discussion on how to best support women experiencing crisis pregnancy today with specialist service providers and the women themselves.

Local &
Global
Experts

Specialist Speakers/ Panellists – OB/GYN's, Psychologists, Lawyers, and women with firsthand experience – covering some fundamental questions that often go unexplored when discussing termination of pregnancy legislation.

Break
Out
Sessions

Select your own area of special interest and participate with specialists in intensive workshopping whether it be medical matters or exploring alternatives and best practice care models.

Policy
Round
Tables

Have your say on what policies should look like on such items as: informed consent, DV and coercion, medical support, provision of options counselling, prenatal testing, conscientious objection and more...

Unique
Networking
Op.

Connect with some of the best thinkers in our nation on this topic and enjoy a drink together at the Cocktail Party on the Brisbane River at The Stamford Hotel afterward (5:30-7:30pm)
